

Gus Rantz For Congress

AMG

Integrated Healthcare Management

AMG's President Gus Rantz IV, is running for Congress in Louisiana's Third Congressional District! Gus is running for the seat currently held by U.S. Rep. Charles Boustany, who's running for U.S. Sen. David Vitter's seat.

Gus has seen first hand through his work in the healthcare industry, the intrusions government has made in our daily lives; the red tape and bureaucratic nightmares that take away our freedoms and ultimately drive up costs for everyone. He's witnessed how virtually every new government rule and regulation costs the patient more in dollars and in time navigating the system. Gus is devoted to less government, less waste and fewer burdensome regulations for everyone.

We here at AMG are proud to support Gus in his endeavor and hope everyone in the AMG family will go out and spread the word about Gus and his goal to help get our country back on the right track.
